

The GRETA BUNYIP

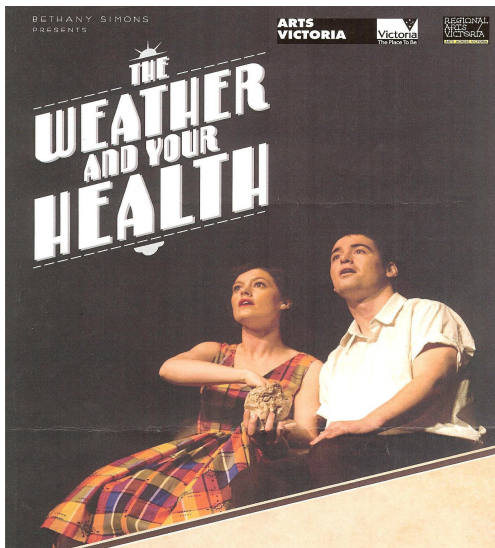

"YOUR GRETA & DISTRICT COMMUNITY NEWSLETTER"

EDITION No: 6

Website: www.greta.vic.au

OCTOBER 2011

The Greta Hansonville Hall presents "The Weather and your Health".

*Inspired by the writer and performer's grandmother, **The Weather and your Health** is a trip down memory lane with references to war times, local dances and classic Australian recipes!*

***The Weather and your Health** paints a humorous and moving portrait of everyday life, spanning from the 1930's to the modern day in rural Australia.*

Greta Hansonville Hall—Wednesday 19th October.

Prices

All tickets \$15-00 each. Families (2 adults & up to 3 children under 18) \$40-00

For details please contact Jane White on 5727-6247.

Format	7.00pm	Arrive
	7.30pm	Performance begins
	8.30pm	Performance ends & supper commences
	10.00pm	Evening concludes

Supper Details

You are most welcome to stay after the performance to enjoy supper provided by the hall committee and to meet the performers and mingle with people you may not have seen for a while.

For details about transport to the venues please visit www.wangarattapac.com.au.

For further information visit www.wangarattapac.com.au or call the box office on 5722-8105.

Tickets are available either from a representative of the hall committee, on line, at the box office or at Edgars Newsagency.

Greta and District Heritage Afternoon

Sunday Nov. 19, 2011 at 2pm

Greta-Hansonville Hall, Reserve Rd, Greta

The purpose of the afternoon is to gather resources on three different projects:

- Names and Information for a Greta & District Honour Board
- Information on any of the four district schools
- Information on the establishment of the Greta Recreation Reserve in the early 1950s

What to bring: Photographs, personal stories, memories and information on any of three areas for collection. Your documents will be scanned and returned to you on the day.

Bring your ideas on what you would like to see happen to preserve the history of the Greta district.

Bring your friends and neighbours and join in the afternoon tea at approximately 3.30pm

For information phone: Joan Ellis - 5727 6392,
Noleen Lloyd - 5727 6372
Alan Porker—5766 6417

CFA OFFERS HOME BUSHFIRE ADVICE SERVICE

In December 2010, CFA launched the free Home Bushfire Advice Service, a unique individualised bushfire planning option for residents.

During a Home Bushfire Site Assessment, a trained CFA Fire Safety Officer-Wildfire will assess the property with the resident and provide specialised advice on:

- *Maintaining a property to help lower bushfire risk.*
- *Access issues*
- *Defendable space*
- *Vegetation management*
- *Water supply*
- *Awareness of personal capacity*
- *House maintenance & improvements*

The Home Bushfire Advice Service is another tool along with the Household Bushfire Self-Assessment Tool, Fire-Ready meetings, FireReady Kit, and Fireguard that can assist the community in being FireReady.

A mobile assessment team are visiting high risk townships across Victoria and providing support to Regional Fire Safety-Wildfire staff with local requests.

CFA aims to conduct more than 3000 home bushfire assessments this year.

Residents are encouraged to register by calling the Victorian Bushfire Information Line on **1800 240 667** (TTY 1800 122 969) or by visiting the CFA website www.cfa.vic.gov.au >Fire Ready > Book a Site Assessment.

For further information, please ring the Greta CFA. The Greta CFA Secretary can be contacted on 5727-6345.

Boarding Kennels

"Where your pet is treated as part of the family"

We have **22** kennels with **15mtr** runs & an extra large exercise yard. Vet on call. Health & hygiene assured. Inspection Welcome By Appt.

&

Portable Sawmilling

For all your timber, sawmilling & slabbing Requirements, call Mal or Maree Dinning on 5727-6037 or email them at rockridgemm@activ8.net.au

The committee of the Greta Football & Netball Club would like to thank all our members, volunteers & supporters for the support of our teams in season 2011.

Both our Seniors & Reserves football teams improved their positions on the ladder and we can look forward to 2012 with some optimism. As was the case with other O & K clubs, our thirds side struggled for numbers & amalgamated with both Glenrowan & King Valley in order for the boys to get a regular game. Dan McLaughlin has already been confirmed as our Senior Coach for 2012 and with the good young group of players we have, his leadership both on & off the ground will foster continual improvement.

For netballers, all our teams performed admirably. Our "A Grade" ladies came within one goal of back-to-back grand final wins and can hold their heads high. Again, a solid young group of players will ensure continued improvement at all levels within the club.

GRETA VALLEY LANDCARE NEWS

The Greta Valley Landcare Xmas dinner and general meeting for 2011 will be held on the evening of Sunday November 20th at the Greta-Hansonville Hall.

Are you interested in mapping your property? Doing a whole farm plan? Learning more about the vegetation, soils or geography of your farm? Greta Landcare is planning to conduct a workshop in using e-FARMER. Co-ordinated by the North East Catchment Management Authority, e-FARMER is a web based mapping program with access to publicly available data layers

including aerial photography, lat/long co-ordinates, property boundaries, public land areas, waterways, native vegetation date and much more.

E-FARMER has been developed to be easy to use for people with limited experience with these tools. Originally designed for use on individual farms, e-FARMER has the potential to be a powerful planning tool for Landcare groups. Monitoring the progress of on-ground works over time and building a picture of future priority projects. If you would like to know more please contact the Secretary on 5727-6114 or email to gretalandcare@greta.vic.au.

Are you an active Landcare member? Don't forget some of the benefits of Landcare membership which include:

- Equipment hire, including roto-wiper, spray unit, direct seeder, ripper & pipe layer
- Financial incentives for revegetation projects
- \$250 for purchase of native plants planted into stock free areas
