EDITION NO: 57

Oct 2020

The Greta cricket club season is starting soon. Under 14s will start on 17th of October while the Under 12s and seniors begin on 24th October.

The Club would like to invite anybody interested in playing this year to attend one of our training sessions.

The senior training is on Thursdays at 5.30 at Greta.

Please be aware we are following strict COVID protocols.

Interested juniors U12s/U14s can contact Saul Rosser 0438056214 regarding training details. Please help our great club thrive.

GRETA CRICKET TEAM FROM THE 80's

It has certainly been a challenge gathering articles for the Bunyip with the Covid restrictions limiting our activities.

A very big thank you to our contributors who have put a lot of time into finding photos and items of interest over the last few months.

Thank you to Joan Ellis who has supplied several old advertisements for this issue - we hope you enjoy them.

Right is a photo of a very successful **Greta Cricket Club** team of days gone by. How many can you recognise? Two of them have ads in the Bunyip. My apologies to the newer Greta residents.....you are at a disadvantage. This is the team which won the Benalla Lightning Premiership in 1983..?.or 84...or maybe 85 or 86? If anyone can tell me I'll publish it next time.

Local Defibrillator Locations- a rerun of this life saving information.

This list shows where publicly accessible defibs are located around our valley.

Oxley Shire Hall

1157 Green Street (Snow Road), Oxley. Mounted on the bricks at the rear of the hall.

Moyhu CFA Headquarters

11 Byrne Street, Moyhu. The brown brick building is located next to the Moyhu General Store on the north side (former Ovens and King Community Health building). Go through the gate and you will see the defib mounted on the external brick wall facing the CFA shed.

Milawa Squash Courts

The defib is inside the building, but a key can be obtained by calling Irene Treneman, 5727 3206 or 0428 273 206. Irene is the next door neighbour, located on the Oxley side of the squash courts.

Always register your burn off
 Call 1800 668 511
 Email burnoffs@esta.vic.gov.au

This will ensure that CFA won't be called out unnecessarily to your burn-off

- Check your council's website for local laws to ensure you're allowed to burn off
- Check for current fire restrictions in your area at cfa.vic.gov.au

Keep your burn-off safe and legal

Don't get caught out. Prepare your property for the fire danger period.

During bushfires, more homes are lost from ember attack than direct flame. Embers can travel far and land in gutters, igniting dry leaf litter.

cfa.vic.gov.au/plan-prepare

Register your burn

All burn-offs should be registered with ESTA on 1800 668 511

- Check fire restrictions and fire danger ratings.
- Check local laws in regards to when & where you can burn off.
- Notify your neighbours.
- Never leave your burn unattended.
- Monitor weather conditions.
- Access to adequate water, at least 10 litres.

Eureka

MILKING MACHINE

Has been tested out in large and small dairies all over Australia. In numerous instances dairy men have scrapped other makes and installed the Eureka because it is a more natural milker and does not injure the cows. The testimonials from these men prove that the Eureka, and only the Eureka, is worth your consideration.
